

**A Message from Tia-Lynn Leong
Operations Manager**

Aloha Everyone! As we reach the halfway point of the year, we want to express our heartfelt gratitude for your unwavering loyalty and support. Your trust drives our commitment to providing exceptional financial products and services that cater to your unique journey.

Our Operations team has been diligently working behind the scenes, listening to your feedback and expanding our innovative solutions to enhance your banking experience from anywhere, anytime. We are excited to introduce new features, including Mobile Wallet, which allow you to add your HOCU cards to your smartphone and make payments with just an easy tap. Additionally, our new External Transfer feature enables you to easily move money between your HOCU account and accounts at other financial institutions. These enhancements offer the flexibility to manage your finances seamlessly and securely, no matter where life takes you.

With summer travel in full swing, we understand the increased risk of card fraud. Please utilize our latest tools and monitor your card transactions through the HOCU Cards app for added security and to detect any unauthorized activity. Enjoy the convenience and peace of mind knowing that HOCU is here to protect and support you at every step of your financial journey.

From all of us at HOCU, we hope you have a wonderful rest of 2024.

Mahalo,
